

EXPERIENCE THE DIFFERENCE

WE ARE YOUR RECONDITIONED & RECYCLED CONTAINER SOLUTION

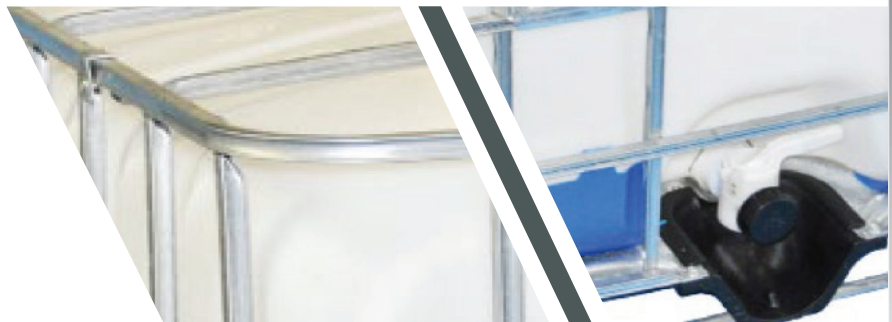

We're passionate about providing superior quality and complete container life-cycle services for our customers. All our products are collectible for reuse and recycling. With our products you'll save money and the environment, by reducing your carbon footprint. We minimize new material use while reducing the disposal of old materials. Our services have successfully increased the amount of materials being recycled by our customers. Now you can benefit from our experience, making reconditioning and recycling a part of your successful business practices.

Reconditioned IBC

Our reconditioned Intermediate Bulk Containers (IBC) are thoroughly cleaned and can be fitted with a variety of different valve types.

- 275 and 330 gallon capacity
- Tube and wire frames
- Wood, steel and plastic pallets available
- Offered with quick-disconnect or standard Natural Pipe Thread (NPT) valves
- EPDM and Viton gaskets available

Have an empty container you want picked up? Call or email us today!
